

## Japan Kimono Tour 2026 Getting there and back

### Flights, Arrivals, Departures, Extra Nights, and Transfers

#### **Arriving for start of tour – Tokyo**

Our tour starts in Tokyo on October 16, 2026 with a welcome briefing at 12:30 hrs, followed by a visit to the Tokyo National Museum. If you are late for the welcome briefing, you may join the group for the welcome dinner at 18:30 hrs (location and timing tbc)

If you wish to join our 12:30 hrs welcome briefing and activities on Day 1, your flight's arrival time should be no later than 9.30 am (Narita airport) or 10.30 am (Haneda airport).

#### Flights

We do not book international flights. Please try Google flights or Kayak.com

Arrival airports in Tokyo: Narita (NRT) or Haneda (HND). Haneda is a little closer to our tour hotel.

Several reputable airlines fly to Tokyo from North America. Many offer nonstops. Try Air Canada, Japan Airlines, American Airlines, Delta.

#### Airport Transfers

Complimentary shared **arrival** airport shuttle is included for all arrivals

- as long as your flight arrives between 6am-8.30pm

- included for early arrivals as well – as long as you book the tour hotel through us.

### Shared Shuttle for all arrivals: how it works

We use a shared shuttle service which passengers from other tour operators may also board. The shuttle collects passengers from same airport at the same time of day for arrival transfers, which often takes longer than a private hire service.

For example, it takes 1-2 hours from Narita/Haneda airport to the hotel, but the airport-shared shuttle may take 1.5-2.5 hours.

At the arrival gate, a non-English speaking driver welcomes guests with a signboard with guests' names on it. Our guides will welcome each guest at the hotel when they arrive.

Often trains into Tokyo take less time.

Time limit for meeting with airport shuttle is 90 min from flight arrival (see \*\* below for immigration clearing procedures)

More info on airport shuttle [here](#).

Please enquire about booking a private transfer. Approx. \$350 per vehicle of 2 pax with luggage from Narita.
