Destination Guide and FAQs

First time in Morocco?

You're in for a treat. We keep hearing from our travellers that Morocco is one of their favourite countries or that their trip holds some of the best memories for them.

“Morocco is a land of beauty and wonder and our stay was all too brief. There is so much history, so much culture, so many landscapes, and so much amazing food that every day was a new adventure.” – Peg

Where else can you stay the night in a Berber tent in the Sahara Desert under more stars than you have ever seen before and then the next day sleep in a luxurious boutique hotel (called a riad)?

Where else can you walk through an ancient city and see a way of life that has been around for centuries combined with modern comforts?

This isn't a “beach vacation” destination (though there are some great beaches available!) It's not a European city with fancy cafes and cathedrals. It is truly unique. You get a combination of Arab culture with a European flavour. There's unforgettable and delicious food, some truly memorable sights, and the people are warm and hospitable.

If you have been lucky enough to visit Morocco, you're already in love, but do read on because a few things may have changed.

“We have traveled the world by way of backpacking to luxurious cruises and we can both honestly say that Morocco will forever be one of our favourite destinations.” – Laura and Natalie

First off, is Morocco safe for travellers?

Your perception of safety is important, and we urge you to visit your country's travel advisory consular site. These days, only a few countries do not carry an advisory. Morocco is considered to be a politically stable country in North Africa. It is a constitutional monarchy, and promotes religious peace between Muslims, Christians and Jews. As with any destination, travellers should exercise caution in being out in the dark and carrying valuables. A bonus of group travel is you can always be with a travel companion. Additionally our local office in Canada is on hand to address any concerns. Even during the Arab Spring Morocco was one of the only countries in North Africa that remained secure.

Additionally, if you like to hike, we can arrange a guide to accompany you. Please enquire.

I hear only 5* hotels are good enough for travel in Morocco. Correct?

Incorrect. One of the best ways to experience Morocco is to stay in atmospheric riads (heritage houses) for architecture, cultural relevance, comfort, safety, and personal service. In all cases, we selected the best available. All riads are clean, comfortable, and have private bathrooms and western-style toilets. But please be aware that for part of the trip we go into an untrampled part of Morocco in search of unique experiences, and accommodations may be different to what you are used to.

Will Ramadan affect my travels?

Ramadan is the ninth month of the Islamic calendar that follows a lunar year, so every year the exact dates change. In 2022, it will be in early April, and therefore will not affect our tour.

What about clothes and valuables?

A comprehensive packing list will be supplied. Consider layering clothes. Pack a light windbreaker and fleece hoodie, as well as warm socks, toque, and mitts. A hot water bottle comes in handy for warm toes at bedtime. Comfortable closed-toed walking shoes are recommended. Morocco is an Islamic country and while there is no requirement for *burkha*, women travellers might feel more comfortable with dresses below the knees, and trousers, tops/dresses with some sleeve. Stay away from strappy tank tops and low-cut shirts. Wear a longer shirt if wearing pants. For men, Moroccans are stylish and favour polo shirts over t-shirts. Longish shorts and cargo pants are fine.

It's best to leave expensive jewelry and valuables at home.

What is the voltage in Morocco?

Power sockets are of type C and E as in Europe. The standard voltage is 220 V and the standard

frequency is 50 Hz. Your adaptor will need to fit into these sockets.

Where to fly in and out of? What are the best international flight options?

Our tour starts and ends in Casablanca. How you get there depends on from where you will travel. Basically, the Mohammed V International Airport in Casablanca (CMN) provides the most flight options for this airport, with even a direct flight from JFK! Depending on your arrival, we can either include you in the group transfer or arrange a private transfer. Do give yourself ample time to settle in after your long flight.

We'd be happy to advise on individual options. Please contact shila@eyhotours.com

Can I get a local SIM card?

Morocco uses 4G, 3G and GSM frequency bands 900/1800. If your phone is an unlocked GSM with multi band, it will usually work with a local SIM card (Make sure to check the frequency band your phone uses for compatibility in Morocco). The main networks are the leader, Maroc Telecom (a.k.a. Itissalat Al-Maghrib, IAM), followed by Orange (rebranded from Méditel), and Inwi. 4G is open to prepaid, where available. SIM cards can be purchased in the agencies of the network operators and their sales outlets. Be prepared to show your passport.

The situation and government guidelines change from month to month, so we have no possibility to predict exactly what may happen in March. Having said that, the Omicron wave is on the decline in Morocco and generally the country is opening up. Here is what we are doing to deliver as safe a tour as possible:

- We require full vaccination of all our travellers
- We require travel medical insurance. Travel repatriation insurance is optional but recommended.
- If you or someone else on our trip has symptoms of Covid 19 while travelling with us, we will assist in testing and medical care if needed.
- We will quickly act to place distance between the unwell traveller and others and follow any government guidelines that are in action at the moment. This may include self-isolation or quarantine depending on the risk to others in the group.
- If the situation requires, we can also supply a guide to be with the isolated traveller at the traveller's cost
- We will provide access to health facilities such as clinics or hospitals if required.

- All our guides have emergency and contact numbers for the traveller to get the best treatment.
- All accommodations pass the Morocco govt's "[Welcome Safely](#)" certification testifying to the compliance protocols of Covid-19.
- PCR tests are readily available for between USD 45-72 per test (depending on whether you would like a quick result within hours, or the 24-hour service) and are available in all the cities. For additional peace of mind, you may carry your own Rapid Antigen tests.
- In addition, all guides and drivers are fully vaccinated, with most of them having a third booster. In fact, Morocco made the vaccines available before places like the UK did to their citizens.

Please note that E.Y.H.O. Tours is not responsible for covering the cost of any curtailment to the tour, missed transport arrangements, additional accommodation required, all expenses for testing and treatment or any other costs incurred by the traveller/s. Travellers MUST ensure that they have travel insurance that covers these costs.
