

NE India 2026 – Getting there and away

- Tour starts November 29, 2026, in Guwahati, Assam (GAU).
- Main tour ends December 16, 2026, in Jorhat (JRH)
- International airline carriers include British Airways, Air Canada, Lufthansa, Delta, Air France, KLM, Etihad, Emirates, Qatar. Some offer direct flights from North America. Typically airlines from the Middle East offer the best service, however with current conditions in mind, we recommend flying via Europe instead.
- You must book internal flights between your international port of arrival/departure and the start/end points (follows)

Arrival Guwahati (GAU)

- Best arrival airport is Delhi (DEL), serviced by all major carriers. Allow 3-4 hours for domestic connections, more if terminal change is required. Air India domestic uses the same terminal as international arrivals, which could shorten your connection time. Indigo is another popular airline that offers flights that will get you to Guwahati in time to start the tour. Please note, flying indigo will require you to change terminals at DEL airport.
- Air India dep DEL 6:50am arr GAU 9:10am
- Indigo dep DEL 5:40am arr GAU 7:55am
- Indigo dep DEL 7:55am arr GAU 10:10am

Note:

- Hotel check in begins at 2:00 pm. Earlier arrivals may require an additional night \$. See below.
- Complimentary group arrival airport transfer based on maximum arrivals banded together. All other transfers are chargeable. See below for rates.
